CHARACTER TRAITS - At MS Elem, we are working on a new character trait each month. March is **COOPERATION**: "Cooperation is working together to reach shared goals." We often must work with others to accomplish a goal or task in our life. We need tools to help us navigate those situations successfully and keep our relationships healthy. Cooperation is about making sure we know how to work in a group towards a common goal. Talk about some things you do at school, and things you do at home, that require Cooperation.

8TH GRADE-KINDERGARTEN "UGLY DOLLS-ADOPTION DAY" ART PROJECT

Our Kindergarten students designed their own "Ugly Dolls" and the 8th grade art students created them with their sewing skills. Many thanks to all who donated supplies that made this project possible.

♥ MAKING MEMORIES ♥

A special thank you to these amazing women and all the volunteers who put together an unforgettable 2023 Daddy-Daughter Dance enjoyed by 87 girls & their special dates!

Educational Environment Questionnaire:

We strive to create balanced classroom environments beneficial to all students. A questionnaire will be emailed in late March that will provide instruction to parents who have a teacher preference for their child for the 2023-24 school year. Changes that we know of at this time; two of our Kindergarten teachers are looping to 1st grade (Mrs. Biller and Miss Penness), while two 1st grade teachers will return to Kindergarten (Mrs. Babbitt and Mrs. Inman). Mrs. Vennix will return to 4th grade, Mrs. Potrykus will return to 2nd grade. * Teacher assignment is subject to change without warning.
